The Not-So-Fine Print

- ✓ Premium Protection Plans provide coverage against covered accidental damage, not normal wear or abuse.
- ✓ Premium Protection Plans are transferrable to a new owner (for a fee charged by NSI).
- ✓ As the repair service of these plans is covered by NSI, repair is available nationwide. Calibration and loaner services are only available in Ruby & Quiri's service area.
- ✓ If an item cannot be repaired and is replaced, the original protection plan does not cover the replacement item.
- ✓ If a protection plan is not purchased, please contact the manufacturer directly for technical support and troubleshooting.
- ✓ Lamp replacement plans are available at an additional cost.
